Webelos II Encampment July 12-13 & July 26-27 @ Camp Bonner

Last year's Webelos II Encampment was a great success with ton's of fun by all.

Two sessions will be held this year for our 2nd Year Webelos.

Space is limited so pre-registration is a must. The encampment will offer two (2) weekend over-night camping opportunities for Second Year Webelos Scouts (July 12-13 & July 26-27). This is not an *advancement camp* for Webelos but an opportunity for our young Scouts (and parents) to experience a little of what they can expect while attending Boy Scout summer camp for the very first time. All program areas of the Bonner summer camp facility will be open for the enjoyment of our Webelos. Webelos will form patrols and follow a schedule as they move around the different camp activity and program areas.
