&

Pamlico Sea Base

Overlooking Blounts Bay, the Pamlico Sea Base Family Cabins offer individual Scout units, families and non-scout groups an opportunity to get away from it all and enjoy the peace and quiet of the great outdoors. Cabins are completely equipped with everything you need for a weekend get-a-way. All you need to bring is your food, personal items and sleeping gear. Each cabin will sleep 10 with three separate bedrooms, two full baths, and equipped kitchen.

Coupled with the Sea Base Kennedy Conference Center, it's a great location for small corporate retreats and training sessions. Additional program support is also available from the Camp Bonner staff.
