Welcome!

Please mark your calendars and join Cub Scouts and their families throughout East Carolina Council for a weekend of fun and adventure at Camp Boddie! Your entire family is welcome to come out and enjoy the weekend.

The theme this year is “Legend of the Samurai”. Activities will center around the Japanese Culture. There will be BB & Archery, Jamboree On The Air (JOTA), crafts, and much more. Please see inside this packet for specifics on the events and other important information.

The registration fee is \$15 per person or \$45 for your entire family up until Friday October 6, 2017. After that, the fee rises to \$20 per person or \$55 per family. Pre-registration is strongly encouraged to ease the Check-In process and the purchasing of Saturday evening meal. Whether your family camps or comes out for the day, the fees remain the same. (Camping is encouraged, but is not mandatory).

The gates open and Check-In begins Friday afternoon at 3:00pm. All activities begin Saturday morning and camp closes with a non-denominational church service Sunday morning. Upon entering the camp, stop at the Check-In station for your parking pass. The staff will then direct you to your Pack’s campsite.

Webelos Cooking Contest Guide

The purpose of this event is to help prepare the Webelos for Boy Scouts. In a Boy Scout Troop, the youth are responsible for cooking the meals for their patrols. This event has quickly become one of the most popular at each campout!

Here are the basic rules:

There will be a designated cooking area for this contest. Only members of the Webelos den participating are allowed in this area. Adults may observe and only assist verbally when granted permission by the judges, but we encourage you to let the scouts work on their own. We are striving to teach independence and self-reliance.

There may be more than one den per Pack, but only one entry per den.

Cooking must be done in a Dutch Oven. Each den must provide their own equipment (i.e. Dutch oven, table, utensils, cutting board, gloves, etc.). The judges will provide the hot coals.

Ingredients cannot be precooked must be combined, chopped, slice, or diced during the competition on site, including garnished.

Please use safe food handling procedures. The Webelos should start with clean equipment and use clean cooking practices. No finger licking or 5 second rules (if you drop it, it goes in the trash!)

The finished dish must be presented for judging at the Reception Center no later than 5:00pm.....no exceptions! Bring your dish and completed Recipe Page!

Judging will be done by the Camp Staff. The judges will score your Dutch oven dish for taste, level of difficulty, and whether it is properly cooked. In addition, the judges will also take into consideration the preparation time, safety, cleanliness, team work and good sportsmanship with other dens while cooking. Removing burnt or uncooked sections of food may lead to disqualify patient.

Please use a disposable tin/plate and remember to label the bottom of your entry with your unit and den number.

ALL OF THE JUDGE'S DECISIONS ARE FINAL
