Product Inventory

All popcorn ordered from Trail's End cannot be returned so it becomes the property of the East Carolina Council. Returned popcorn is used to fill Take Orders. In order to maintain the current commission structure, we are asking for your help by limiting your returns to **less than 25%** of your original Show & Sell order. The steps below will help reduce the amount of returns:

- Order your popcorn based on last year's sale and changes on your Unit membership
- Look at your sales plan. Do you have more or less sale sites lined up than you had last year?
- Have a pickup/return and money turn in day to help you see who is selling and redistribute the popcorn to the families who are selling.

Council's Return Policy and Procedures

- Show and Sale returns returned on or before November 11th to Council Office or District Kernel **No Exceptions**
