What is the Wild Game Feast and Auction?

Now in our 22nd straight year, the East Carolina Council has built a unique special event that serves as an annual benefit to raise money for the council operating budget.

What can I expect when I walk in the door?

First of all- an amazing variety of food, prepared by 25 'chefs' and their teams, from the most basic pig roasting to the exquisite seafood gumbo, alligator bites, bear stew, scallops, frog legs, swordfish, gar, oysters Rockefeller, etc, etc. The menu changes every year any number of offerings can be found smoked, fried, sautéed, boiled, deep fried, braised, poached, stewed or broiled. According to most of our attendees from across the state and southeast U.S., there is nothing else like it.

Secondly, it is a FUNDRAISER! For the local boy scout council. Bring your cash, check or credit card and prepare to spend money on your chances to take home some very nice items. From crystal to duck calls to hammocks to deer stands to stained glass to golf foursomes to Girl Scout Cookies to fishing gear to grills to ECU sports memorabilia to painted porcelain- we have something for everyone

Doors open at 5 PM -

Come on in and take advantage of the early raffles and get a good look at all the items up for bid. You may purchase raffle tickets with cash, check or credit card (Visa, MC, Amex and Discover) at the event. Tickets come in envelopes of 17 tickets-10, 5 and 2 of different colors. Each item for the giveaway raffle will have a "ticket price" on it based on its value. Divide your tickets up as you wish and buy additional envelopes to increase your chances. With the help of local and regional individuals, businesses, golf courses and various other generous supporters, we will have over \$7,000 worth of raffle items. Our primary goal is to raise money to support Scouting, your ticket alone does not cover the cost of this event, but only through the generosity of our sponsors and raffle sales do we achieve that goal.

Back again this year is the WALL of GUNS!!! This is fun!

The first **Wall of Guns** raffle will be underway before 5 PM. You will see a large banner with pictures of all different types, models and prices of guns. Buy a \$20 chance on the one you like. Here is the best part! One ticket will be drawn from each group of 50 tickets; the winner has their choice of guns. Then we change ticket color and start again. For the winners: the order will be placed that night and we will notify you when the gun can be picked up at a local gun shop.

Food will be served **around** 6PM- or once we get the 'green light' that the cooks are ready. You will then enter into the world of wild game. Our chefs will have a remarkable sampling of wild game prepared in many, many ways. Make sure that you try a bite of everything. For those not over-adventurous in their palate for wild game, the basics will be prepared as well to include pig-pickin'. Save room for dessert, as the best homemade banana pudding will be awaiting you.

The event is held in a building that is not climate controlled please dress accordingly.
