**Part 1 to be completed by Unit Leader:**

As Unit Leader, it is your responsibility to make the initial determination of financial need. Criteria for determining financial need may include household income, single parent family, multiple Scouts from the same family, or any other factor that places this Scout in need of registration assistance. To extend the available funds, it is incumbent that each Unit Leader exercise good judgment in requesting aid. This will help us to distribute aid to those Scouts most truly in need.

Please answer the following questions and have the Scout Parent/Guardian fill out the Part 2 to be considered for assistance

One of the purposes of Scouting is to help youth learn the value of "paying ones own way."

- Our unit participated in the 2020 Friends of Scouting (FOS) campaign.
- Our unit plans to participate in the 2021 Friends of Scouting (FOS) Campaign.
- Our unit is participating in 2020 Popcorn sales.

I request registration assistance for the above Scout. I have determined that registration assistance is necessary to ensure this Scout has an opportunity to fully participate in the Scouting program. I understand assistance will be provided based on available funds.

- **We request \$25 registration assistance be paid for this Scout.**
- **Completed filled out Youth application form is accompanying this request.**
- **We also understand that this youth must do his / her best to sell at least \$100 worth of popcorn through any selling method (show & sell, take order, or online)**
