All camping gear should be left in your vehicle until the conclusion of the game. Campers will leave the stadium and re-enter through the main gates with their camping gear but be advised that admission onto the field will be after clearance from the head groundskeeper is given. The Down East Wood Ducks recommend moving all vehicles to the parking lot closest to the ticket booth and visiting the first base concession stand that will be open for approximately 30 minutes after the conclusion of the game for snacks & drinks.

Admittance onto the field is through the first base gate. Tents are allowed on the field but cannot be staked down. **Tent Stakes CAN NOT be used. No fires of any kind are permitted on the field (campfire, fireworks, sparklers).** The movie will start approximately 30 minutes following admission onto the field. The field lights will go out at the start of the movie.

A Wood Ducks Staff Member will be on site for the entire night for any problems that may arise. You will be provided with their cell phone number upon arrival.
