## BECOME BALOO TRAINED!

DO YOU HAVE WHAT IT TAKES TO BE TRAINED!

### Prerequisites:

You must complete Baloo Training V2 to be considered "Baloo Trained". You will also need to bring proof of Youth Protection Training and Hazardous Weather Training.

Must have a copy of Scouting America Annual Health Form A&B

### Who should take this training?

Any Cub Scout adult leader or parent who will go on Cub Scout Den or Pack outdoor events, including pack camping overnights and Webelos Den overnight camping.

### Why should I take this training?

Many Cub Scouts want to do stuff outdoors, including camping. It's probably why they joined in the first place! In order for your den or your entire Cub Scout Pack to have an outdoor activity or go camping, you must have someone complete the Basic Adult Leader Outdoor Orientation, also known as "BALOO", training course.

BALOO Training is made up of two parts: an online course available on My.Scouting.org, and an in-person, hands-on course. You must complete both parts to qualify as a trained outdoor Cub Scout leader. The hands-on course involves camping overnight (after all, that's what the course is about – camping). You're going to learn a lot, from cooking to first aid to campfires to hiking to aquatics and much, much more.
